SYNOPSIS

On April 12, 2018, SA (b) (6), received an emailed copy of the reports for the lead and asbestos testing completed for the Otis Hotel in Spokane, Washington from (b) (6), of the Washington State Department of Labor and Industries.

DETAILS

On April 12, 2018, I received an emailed copy of the reports for the lead paint and asbestos testing completed for the Otis Hotel in Spokane, Washington from (b) (6), of the Washington State Department of Labor and Industries.

Both of the reports of testing on the hotel demonstrate that the Otis Hotel has a large amount of both lead paint and asbestos remaining in the hotel.

These reports will be kept in the EPA CID electronic case file for future reference.
